There can't be many jobs in the world where the staff can't wait to get in to work on a Monday morning, but here at Club the scramble to get in through the door after another long weekend sometimes gets a bit much. Then, when we've reached our desks and got the urgent business of comparing the fortunes of our fantasy footy teams out of the way, it's on with the real hard work; meeting, scrutinising, prodding, comparing, wining and dining etc all the delectable females that beat a path to our offices each month. And so it continues, from about 11.30 on Monday till lunchtime on Thursday, when we all retire to the local pub to try and scrub away all the memories of naked, sexually demanding girls we've come across that week, and pass the time until the weekend arrives. Then, on the Monday, after the football chat, it just starts all over again. Oh, the horror… – **The Ed.** ♣

WILD WIFE SHOW

I couldn't resist writing in to you to tell you about my very sexy wife. We have been married for six years and have a fantastic sex life, which just recently has involved other people. There's this guy my wife likes and one time I suggested we pick him up in the car and take a drive up a country lane to a secluded spot.

So that night, once we picked him up, my wife wasted no time in jumping into the back seat to grope and kiss him as I set off driving. Occasionally I would look into my well positioned mirror to see that she had worked her way down on him, undone his jeans and was gripping the base of his hard dick while eagerly sucking on the end of it.

It was a good 15 minutes of listening to their moans and groans until I found somewhere to pull over and watch the show. By the time I had parked up, I turned around to see my wife sitting on top of this guy naked, apart from her mini skirt pulled high around her waist. She was facing me with her legs wide apart so that I could get a good view of his stiff cock sliding into her very wet hole. She arched her back pushing her breasts forward for me to grope while pushing down hard onto him. She moaned at the pleasure of feeling a new cock entering her pussy, gyrating her hips back and forth as I sucked and played with her erect nipples.

My jeans were bursting at this point so I unzipped myself and started wanking at the sight of my wife getting a good fucking from another man. Occasionally, she would lean forward and suck on my hard cock. She ended up on her back, legs wide open with him on top of her, banging her really hard, making the car rock from side to side. She held tight onto his arse while he pumped into her, crying out for him to fill her pussy with his come, and sure enough, with a few final grunts and thrusts, he shot his load deep inside her.

After we dropped him back to his house, me and my wife wasted no time in getting home where I banged her sopping cunt over the coffee table. I really hope that we're now going to have many more

SNAP HAPPY

Like most men I enjoy looking at pictures of attractive women, be they clothed or naked and being a keen photographer means I also love taking pictures of beautiful ladies, although glamour photography is unfortunately a rare occurrence.

While working as a part-time tutor at a college, I saw a competition in a photographic magazine on the theme of 'Days of Summer', which of course could have meant anything but to my filthy mind it meant bikini-clad girls on a beach. And I immediately knew just who I wanted as my model…

Faye was a very pretty, sexy blonde studying a web design course. She was only 19 and always had me hard whenever she wore this gypsy-style dress that was a little bit see-through, with no bra beneath it. Just little white knickers that I could always get a sweet glimpse of.

> **"With a few final grunts and thrusts, he shot his load deep inside her"**

One lunchtime, after a few drinks, I plucked up the courage to ask Faye if she would model for me. She was very flattered and, to my delight, agreed at once. Without a beach nearby, I decided my location should be an old abandoned barn next to a cornfield that I knew of. I arranged to pick up Faye that Saturday for the shoot.

Faye still lived with her parents so I declined the offer to come in and help her select her outfit for the pictures. I told her just to bring that sexy gypsy dress of hers and, cheekily, she asked me if I wanted her to wear anything underneath! I stammered an indecipherable reply and she came back with the skimpiest little thong I'd ever seen.

"That will be fine," I croaked.

I took a bottle of wine with us and we downed a few glasses before getting to down to work. We began in the old barn - the light was great and Faye had a natural vivacity in front of the lens. She looked so sexy in her dress, and she kept squeezing her boobs at me in a very provocative manner, just like a proper model. When I suggested she undo a button or two, she undid four of them, forcing a nut-brown nipple out as she smiled at me.

I was getting extremely turned-on, and the pair of us moved outside to take some shots of her posing on an old tractor. I was wondering how far she would go, when she started pulling up her dress, revealing more and more thigh and giving me a tantalising glimpse of those tiny knickers. I wiped the beads of sweat from my face and tried hard to concentrate on the pictures. Then, spurred on by her behaviour, I

WISHFUL THINKING

I am just writing to say Neve has a fantastic arse. The sight of it in on page 22, Vol. 35 No. 11 made me whip my cock out, tug hard on it for a good few minutes and spunk all over her picture.

I managed to clean it off without ruining the mag, thank goodness, but I just wish it was Neve in person I was spunking all over – her fantastic arse in particular. I would smear my hot cream in her hole for lubrication so I could fuck her up her gorgeous bum.

If I had two wishes that could be granted, one would be to win the lottery and the second would be to push my cock deep up Neve's lovely arse.

TARTAN ARMOUR

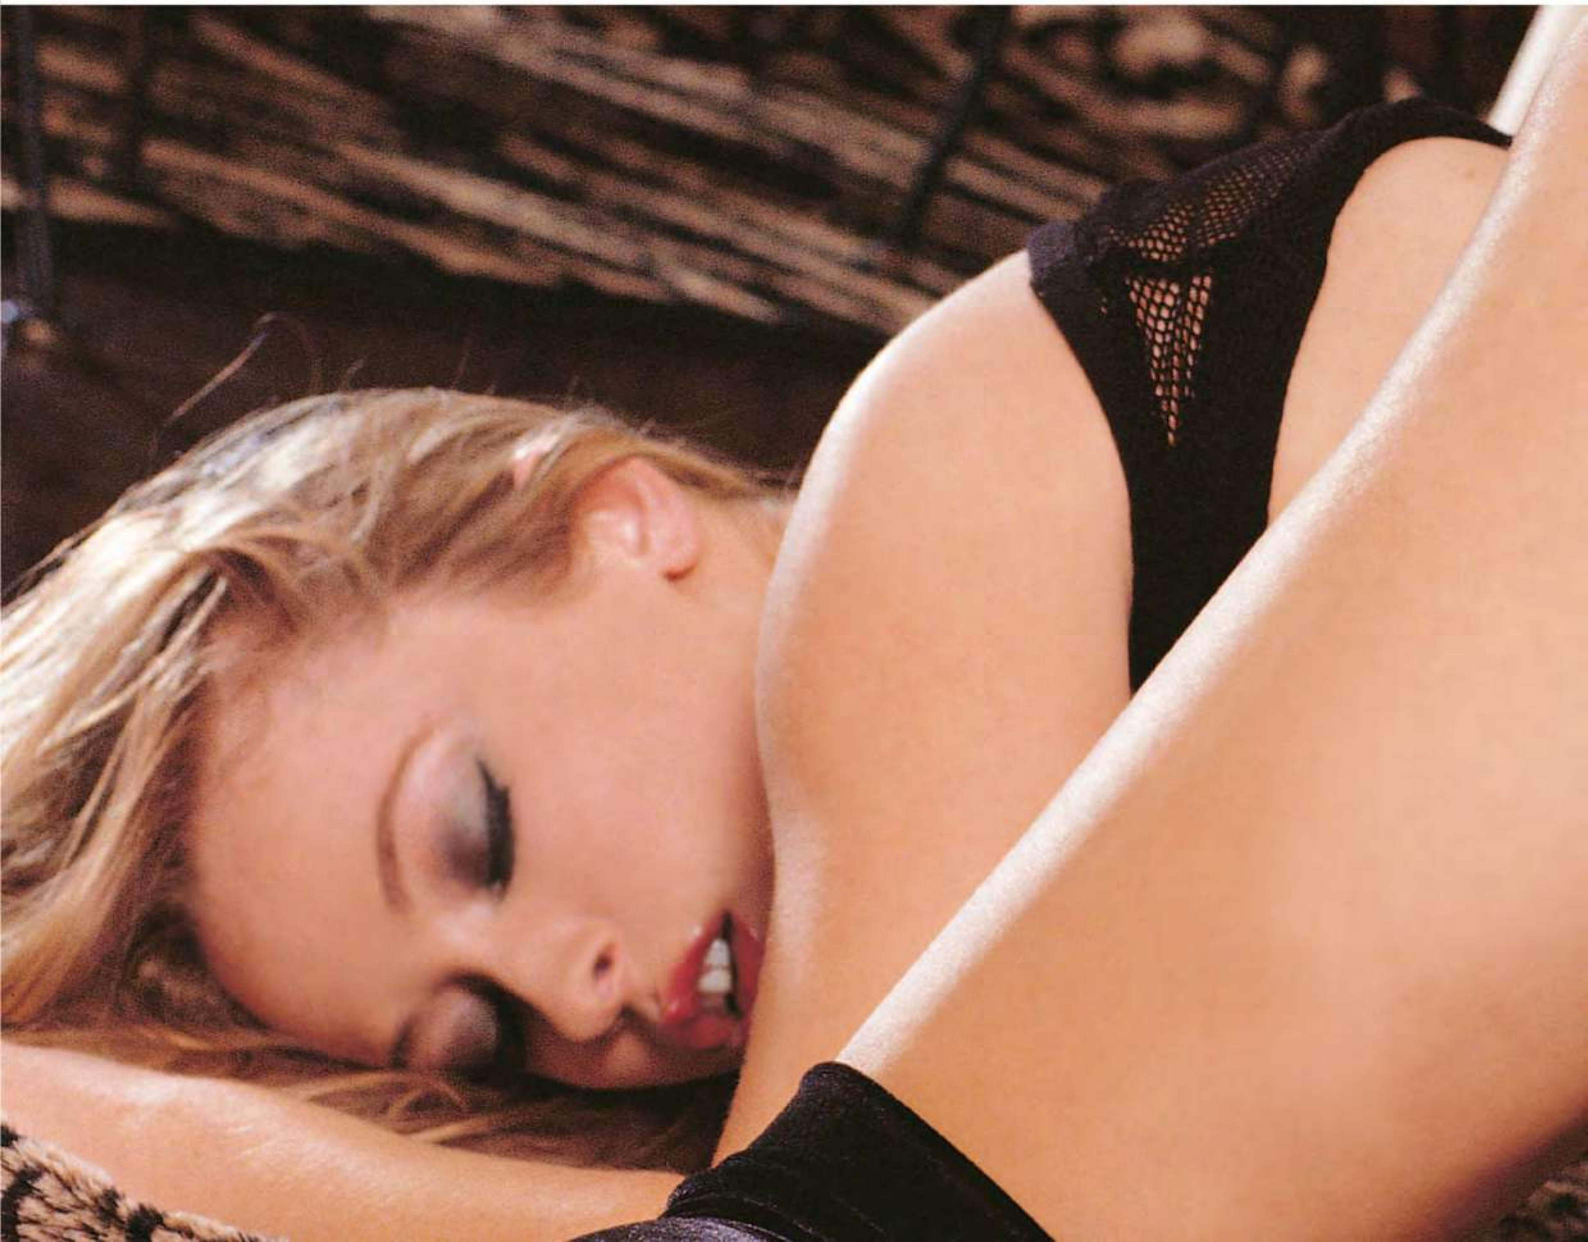
Crystal likes to dress wild, and it should come as no surprise that she also likes to play wild!

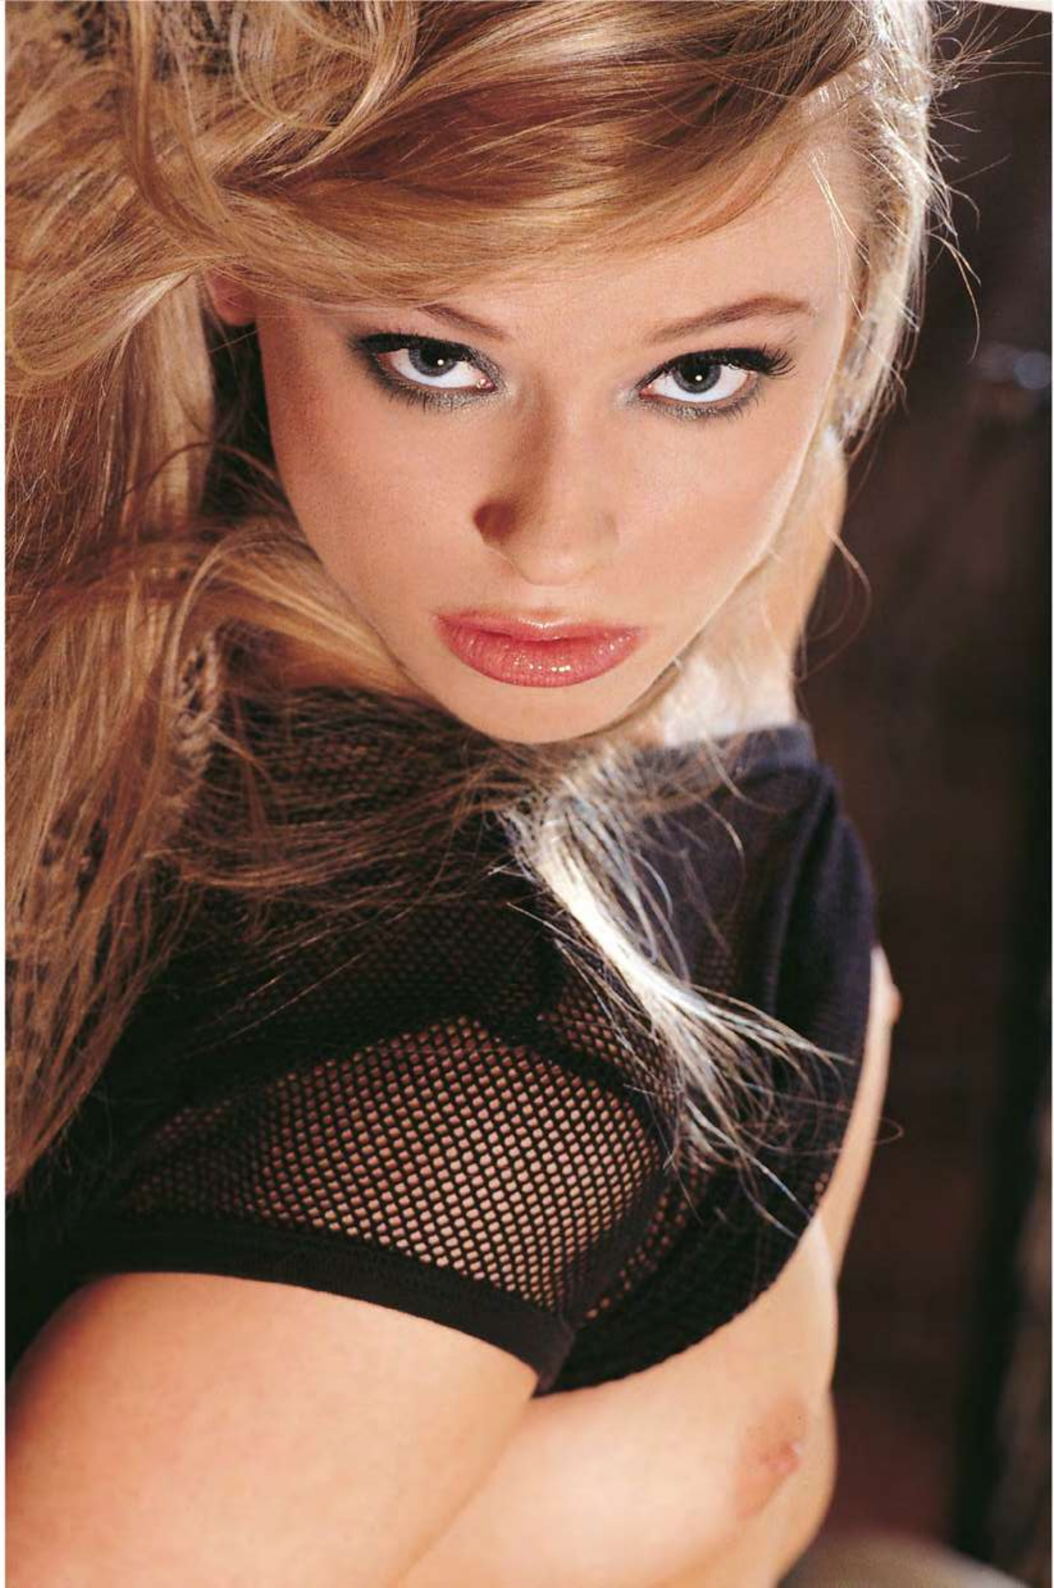
PHOTOS: NICHOLAS SAGE

We're not sure who suggested to Crystal that the tartan and leopard skin prints go well together on the skirt she's wearing here, but we're not going to take the issue any further since she had no qualms about shedding the garment. Besides, she reckons it represents her contradictory tastes in sex…

"I like to mix and match. By that I mean I like to have a man and a woman at the same time. The woman takes care of all the detail and pleasures the parts a guy would usually hurry past. Having said that, you might be thinking I may as well do away with the man altogether and just keep it strictly sapphic, right? Unfortunately, there's no chance of that ever happening. I can't achieve an orgasm without a guy ramming his length up me – and believe me, I've tried! But the best thing about having such a threesome is that if I get tired, I can always sit back and watch the other two at it until I'm ready to join in again!"

And there's probably no shortage of men wanting to join in with you and a pal, is there? ♣





STELLA THE WIFE PLEASER

Can you please thank Stella for me. You see the other day I was shagging my girlfriend when suddenly I yelled out her name. Granted, I had just been wanking over her picture in the toilet minutes before, but the timing wasn't great - or so I thought. My girlfriend, being the amazing person she is, knew exactly who she was when she said, "Is she the cute blonde one in the back of the Limo?"

It turns out, she had been wanking off to the same picture herself. Apparently, she's now a fan of Stella, so much so that we went straight into the bathroom and shaved her pussy to look just like hers. Now when I fuck my wife I can imagine it's Stella!

asked her to part her thighs. Faye grinned at me and did so, causing my cock to almost burst out of my trousers. I could see her neatly-trimmed, dark bush through the sheer lace and could barely contain myself.

"Are you sure these are the kind of shots they want?" she asked me. "I don't mind if we take a few that they don't," and with that, she pulled the thong to one side to give me an eyeful of what I'd been lusting after all this time. She climbed down from the tractor and beckoned me into the cornfield. Her pert bum looked fabulous through the flimsy material of her dress. As soon as we were in the field, she got down to the rude poses – kneeling on all fours with her bum in the air, her dress pulled all the way up, her knickers once again pulled to one side.

Obviously, I was hard as a rock – a fact noted by Faye.

"Is that for me?" she asked, staring at the lump in my strides. I put my camera down as she crawled over to me, undid my flies, and released my straining penis into the cool summer breeze.

"It sure is," I said. All at once, she took it as far into her mouth as I've ever been taken, right to the back of her throat so that her lips brushed my pubes. Her pouty pink lips slid up and down the length of my cock, her mouth so deliciously soft and wet. Then she looked up at me with those big brown eyes, took my cock from her mouth to reveal a long trail of spit and semen, and said, "Don't worry, you can come when you want – we've got all afternoon."

With that, she forced her face forwards onto my length once more and I gave up trying to hold back my seed. I roared as I filled her throat with my hot sperm, firing jet after jet of my cream into her moaning mouth. Faye swallowed every drop with relish, and then we made our way to the barn, where we spent the rest of the afternoon performing very acrobatic sex and not getting many photos taken.

Needless to say, our relationship has had to stay a secret. Even though Faye is 19, it's a matter of college protocol. For my part, I try not to be biased when it comes to marking my students' work, but when I come across a note attached to the work of 'the brown-eyed brunette at the back' informing me that I'm in for a good cock-sucking, I can't help but hand out a few As. And who knows, I might even convince her to let me send our naughty pics in to you one day!

WORK SATISFACTION

I love watching the girls in the office where I work. They are so sexy especially when they are wearing a really tight blouse with a couple of buttons undone, allowing their cleavage to peek through. It also really turns me on when the

BIRTHDAY BASH

I guess you only usually get blokes writing to you, but I love reading your magazine and I think all the girls in *Club* are absolutely gorgeous. I was particularly turned on by Dana in the last issue because she reminds me of a girl I once had a very special time with. It was when I was with my ex boyfriend Josh and he threw a surprise party for my birthday with champagne, the whole works. I had a great evening and then towards the end, I saw him chatting to someone I didn't recognize. She was a very slim, attractive brunette girl, just like Dana. Curious, I went over to find out who she was. Josh grinned when she told me she was my birthday present.

Excitedly, the three of us went upstairs so I could unwrap her. In the excitement I forgot we still had guests in the house, and only remembered when our friends, Katie and Mark, came to see where we were only to find the three of us in bed! I was so incredibly horny at the time we all just ripped their clothes off and dragged them into bed with us. Luckily they didn't mind one bit, and we spent the night shagging. It was hard work making sure I didn't leave anyone out but I had to be a good hostess, didn't I?

If Katie or Mark reads this, fancy trying it again soon? And by the way Katie, that thing you did with my nipples was unbelievable!

JOHN'S NOT MAD

I have a serious question for you, what the blazes is going on with Natasha's tits? I could have sworn the last time she appeared in your mag they looked bigger. The only thing is my wife threw out most of my back issues recently and so I can't check but I distinctly remember that they were a bit more wholesome. So what's going on, has she had them reduced or am I just going mad?
John, Whitstable

P.S. I'm not complaining by the way. I think Natasha's great whatever size her tits are!
Hey, John. Well, spotted. We'll own up and admit the photos of Natasha that appeared in the last issue were from earlier on in her career, when she still had a bit of filling out to do, but we knew our readers wouldn't want to miss out on them, and thought we'd better print them just in case her boobs get even bigger!

blouse is silky and you can see the outline of their lacy bra. The best bit, however, has to be when they are wearing really tight black trousers and you can watch their firm arses as they walk through the office. If you're really lucky you can catch a glimpse of the outline of their thong.

There's this one particular blonde girl who I've fancied for ages and I'd love to ask her to have a go at appearing in your mag wearing her office attire but I reckon I might get a slap round the face if I did. In your experience how do you suggest I approach the subject?
Andy, Walsall

Sexual psychologists would have a field day if they ever met Nikki Blond. Come to think of it, any bloke would have a field day if they ever met Nikki Blond, but that's not the point. You see, Nikki has a strange condition whereby she loves getting herself off by watching films of herself in action. Fortunately for Nikki there are plenty to choose from as she's been very busy in front of the camera, and her ego isn't the only thing she likes stroking…

"I don't know why I get off on my own films," she confessed. "Maybe it's because when I see myself on screen getting fucked by a porn stud or being licked out by another gorgeous girl I think back to the fun I had when we were filming those scenes. Some porn stars just put on an act for the camera, but I don't. If I look like I'm having a screaming orgasm, I am having a screaming orgasm!"

Well, we've seen a fair few of Nikki's films and quite frankly we can't blame her for getting so excited over them! ♣

“Is that blusher from the new Max Factor range? It really suits you.”

ARIES (Mar 21 – Apr 20)
Your marriage may appear to be over, but don’t toss your ring down the toilet in your deep sea drilling station just yet. A rather pointless race of brightly-coloured aquatic aliens “who have the power to control water” have constructed an entire underwater city in the depths of a nearby abyss – apparently just to rekindle the spark between you and your estranged wife.

TAURUS (Apr 21- May 21)
You may experience a degree of trauma after the world is invaded by spaceships the size of soccer stadiums which turn up hovering over all the planet’s capitals and blast the White House into rubble. But don’t fret, these invasions generally only last for about 48 hours and can usually be defeated entirely with a wanky presidential address to a mob of rednecks in bi-planes, a black lad with attitude, his pole-dancer girlfriend, a recovered alien craft, a computer virus and a geek with a laptop.

GEMINI (May 22 - June 21)
You may be feeling anxious this week when the crystal implanted in your palm at birth starts flashing, summoning you to the ritual of Carousel a full four years before you officially turn 30 and tempting you to make a run for it. You may, however, take comfort from the fact that Jenny Agutter is due to turn up in your bedroom, aged about 22, wearing an extremely short skirt and looking for a casual ride.

CANCER (June 22 – July 23)
A routine ultra-violent special forces operation in the jungle could turn nasty this month when your men are picked off one by one, skinned, filleted, de-skulled and hung upside down in trees by an almost-invisible predator from another galaxy who comes to Earth periodically on safari. Fear not: you will nobble the fucker in the end if you persevere. Just one word of warning: the creature’s digital watch doubles as a nuclear device, so if you see him trying to set it by the pips, it’s high time to sprout wings before you wind up sprouting them anyway – and strumming a harp into the bargain.

LEO (July 24 – Aug 23)
You may experience mixed emotions this month when you learn that yet another frigging giant asteroid is hurtling towards Earth… and of course nobody will believe you, especially astronomers, NASA etc., until after the world has been horrifically devastated. Don’t be too despondent, however: at some point somebody is bound to say “I distrusted your prediction but looks like you were right”, or, even more commonly, “I’m really sorry, but I thought you were a nutter” – which is about as close as you are going to get to an apology.

VIRGO (Aug 24 – Sept 23)
A long-awaited visit to a sand planet may be wrecked for you this month when you find it to be inhabited by worms the size of freight trains and Sting out of The Police. Should the latter try performing any of his solo material, you’d be well advised to fold space pronto and remove yourself to the other side of the universe.

LIBRA (Sept 24-Oct 23)
Gardener’s Question Time may well become your most important podcast this month after a crowd of dirty great rogue daffs from another planet start knocking people off left, right and centre and force you to live on the lam with a rucksack and a flamethrower.

SCORPIO (Oct 24 – Nov 22)
For some time now you have harboured a deep distrust for robots, a degree of contempt for Asimov’s seminal novel about them, and a passion for high resolution special FX, and later this month your doubts about the inviolability of The Three Laws Of Robotics will be vindicated when hordes of the emotionless, smart-arse tin buggers try to usurp humani-

A GROSSARY OF SEXUAL TERMINOLOGY

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. So if you don’t want to appear naïve and lame on lads’ nights out, best bone up.

THE KNOCKER CONCEALER-DEFENDER
Normally (though not exclusively) sold in pairs, the patent Knocker Concealer-Defender TM is a new brand of Kevlar “half-brassiere” which has recently become a popular chestal accessory with girls fortunate to have at least one particularly tempting tit that blokes are forever trying to get their paws on. The “concealment” factor in the brand name hints at the fact that the Kevlar cup covers up a hooter, while the reference to “defence” is fairly self-explanatory. Sometimes sold in box sets with a can of pepper-spray and a .22 handgun.

“NANO-SCUTTLERS”
Another advance in the realm of micro-robotics, Nano-Scuttlers will not be on the market until 2008 at the earliest, but already everybody is shouting the odds about them. These nano-technological pseudo-crustaceans are designed to be released into the pubic hair of patients who have unfortunately become lousy with pubic lice. The microscopic techno-crabs take on the biological ones on their home territory and systematically hunt down and exterminate every single one until the patient’s furry bit down below is clean. Some scientists are even going so far as to suggest that the nano-scuttlers, which have sorted several badly crabbed-up minges in laboratory conditions, might ideally remain in situ indefinitely, dormant, ready to repel any and all subsequent seaside nipper infestations.

Sting's eco-friendly efforts failed to stop this river in Kent from drying up.

ty. While the massive violence which ensues may well inconvenience, it's well worth remembering that if events were actually following those in the book then there wouldn't be any.

SAGITTARIUS (Nov 23 – Dec 21)
A sudden dramatic temperature drop later this month may obligate you to relocate to the equator as the northern and southern hemispheres freeze over, heralding the onset of a new Ice Age. Take heart, however: this is happening so often in the cinema that the scenario has almost become like a bloody training film, and if you don't know how to survive this specific sequence of events by this time, then you probably deserve to wind up as a Popsicle. Steal a snowmobile that seats 10, loot some groceries and guns, and try to outrun the ice to the equator. Just be sure to take a suspicious character with you to ensure some nonsensical and futile treachery en route.

CAPRICORN (Dec 22-Jan20)
A run-in with a disappointed Ewan McGregor brandishing a light sabre may result in tragedy when he lops off your legs and remaining arm and leaves you to slither into a great lake of lava on an Outer Rim planetoid… but you would do well to ask why, whilst the Emperor is quite happy to fix you up with futuristic artificial limbs which work just as well as the ones you've lost, the conniving old shit doesn't even attempt to treat your burns – just pops a glorified plastic basin on your head.

AQUARIUS (Jan 21 - Feb 19)
Your attempts to escape from the terrifying spectacle of Steven Spielberg murdering H.G. Wells are likely to prove vain. The good news is that the invading Martians will all be wiped out by disease; the bad, that Dreamworks will continue to churn out this kind of dire bunkum until such time as not one human survives with anything half-decent to watch.

PISCES (Feb 20 – Mar 20)
Health issues may loom large this month after a thing like a cross between a crab and a spunked-on pitcher's glove leaps out of an egg on a crashed alien spaceship, fastens itself over your face for 24 hours, then mysteriously falls off.

Ask Aspen!

Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabe, ASPEN MARTIN? She's sure to set you on the straight and narrow!

'MY GIRL'S NIPS ARE INSIDE HER KNOCKERS!'

Dear Aspen,
My girlfriend has inverted nipples and so I'm finding it extremely hard to stimulate her knockers properly. She is complaining that I have no imagination and that her previous lovers managed to give her "great titty loving" – though I don't see how in hell they managed it, since her teats face inside and there's absolutely nothing to stimulate from where I'm sitting.

I was going to suggest that she get collagen injections in her nips on the off-chance this might turn them the right way out again, but I know we'd be talking way too much money, so I thought maybe I could stimulate the buggers by poking a vibrator against them and pressing it in hard, thereby stimulating the tit as a whole? What do you think?
Depressed, Tayside

ASPEN SAYS!
Dear "Depressed",
What do I think? Trust me: you do not want to know! As for your girlfriend, I suspect that she is being every bit as selfish and insensitive (no pun intended) as you are about this. Doesn't she realise that there are thousands of women out there with much more atrocious conditions effecting their erogenous zones? Try showing her some pictures on the Internet of all the females out there who suffer from inverted vaginas. Perhaps when she sees what these poor bints must endure she will get some sort of sense of proportion as regards her own piffling nip problem!
Yours, rather narked actually,
Aspen

'MY BIRD SAYS I'M FAKING MY EJACULATIONS!'

Dear Aspen,
This may sound like a really basic question, especially since I'm 24, but how do I empty my balls properly? I ask because I have read about and heard other blokes talking about emptying their ball bags when they splash off, but mine never drain entirely. There's always some left in there; I know because if I jiggle them about I can hear a slight "slosh". I'm too embarrassed to do an internet search on anatomy to find out if your ball-sac has got some kind of sump that you can drain the dregs out from if you squeeze your knackers a certain way and I don't like to tell my mates too much about my balls in case one asks to see them.

Worst of all: after we had sex for the first time the other night, my new bird Emily pointed out to me that my ball bags still felt semi-solid, like they had partial rigor mortis. What am I doing wrong, Aspen?! Emily insists that I "faked" the ejaculation by merely "spunking half-heartedly" and is very upset with me about it.
Gordon, Amersham

ASPEN SAYS!
Dear Gordon,
It always makes me feel sad when I read emails such as yours. Fucking miserable, to be honest. Your communication is indescribably cretinous. Of course your ball-sac has a sump. To drain, just reach back between your legs and poke your index finger up your hole. You should feel the sump-release catch almost immediately.

Farewell I hope,
Aspen x

What do you think of my business suit? Be honest, it's not really me, is it? I had a really important meeting so I thought I'd make the effort but I couldn't wait to take it off. We were sat in a really stuffy office and I was getting rather hot and bothered. One of the guys I was having the meeting with was absolutely gorgeous and while he discussed certain matters with my manager I went off in a daydream…

I dreamt I was laying on the boardroom table fingering myself while the guy was sat in his chair watching. After a while, when I had got myself really aroused, he leaned forward and started eating out my pussy. I was grabbing his head and pulling him closer, begging for more. Then he got his huge cock out and started fucking me really hard, causing me to climax within minutes.

Of course, I was rudely woken from my daydream when they both asked my opinion on something. It doesn't matter though, that guy was a porn star and as a result of that meeting, I'll be working with him soon and I'll be wearing what I like best – nothing! ♣

MONEY TO BURN

Two blokes were in the pub having a chat when Bill said to John, "I'm off on my holidays next week."

John replies, "nice one mate, can you do me a favour and bring me back 200 fags, please? I'll sort you out with the dosh when you get back."

"No problem," says Bill.

A couple of weeks pass and Bill returns from his holiday and meets John in the pub.

"So did you have a nice holiday?" asks John.

"Yeah, it was brilliant, thanks," replies Bill, "I've got your fags in the car."

"Nice one, how much do I owe you," asks John.

"£85 please," says Bill.

"£85?! Fucking hell, that's expensive for 200 fags, where did you go?" asks John.

Bill replies, "Bognor."

POSH WINK

One day a man tried to get a job at a great company. He passed every test with flying colours. At the final interview stage, the manager takes him to one side and tells him that his constant winking might bother customers.

"I can fix that with some Aspirin," the candidate replies. "I'll just take some and I'll be better in a few seconds."

So, he reaches into his pocket and pulls condom after condom out until he eventually finds the Aspirin. He takes it and his winking stops almost straight away.

The manager says, "Well, we certainly don't approve of womanizing in this company!"

"Oh, no! It's not like that," the candidate responds. "Have you ever tried to ask a chemist for aspirin while you're winking?"

BAD RIDE

An elderly couple are driving down the motorway. The woman is behind the wheel and she gets pulled over by a traffic cop.

The officer says, "Madam, did you know you were speeding?"

Being a bit deaf the woman turns to her husband and asks, "What did he say?"

The old man yells, "HE SAYS YOU WERE SPEEDING."

The traffic cop says, "May I see your licence?"

The woman turns to her husband and asks, "What did he say?"

The old man yells, "HE WANTS TO SEE YOUR LICENCE."

The woman gives him her licence and then the traffic cop says, "I see you are from Weymouth. I spent some time there once. In fact it was there I had the worst sex with a woman I have ever had."

The woman turns to her husband and asks, "What did he say?"

"HE THINKS HE KNOWS YOU," the old man yells.

PRIZE JOKE!

ONE NIGHT STRAND

A man is stranded on a deserted island, all alone for ten years. One day a gorgeous brunette woman wearing a wet suit arrives at the island. She comes up to the chap and she says, "How long has it been since you had a cigarette?"

"Ten years!" he answers. So she reaches over, unzips the waterproof pocket on her left sleeve and pulls out a pack of fresh cigarettes. He takes one, lights it, takes a long drag and says, "Man, oh man! Is that good!"

Then she asks, "How long has it been since you had a whiskey?"

He replies, "Well, that's been ten years, too!"

She reaches over, unzips her waterproof pocket on the right, pulls out a bottle of malt whisky and gives it to him. He takes a long swallow and says, "Wow, that is fantastic!"

Then she starts unzipping the long zipper that runs down the front of her wet suit and she says to him, "And how long has it been since you had some real fun?"

And the man replies, "Wow! Don't tell me you've got golf clubs in there!"

EVE & SABINE

PHOTOS: VLT

Eve has to be one of the luckiest lesbians we've ever met. No, not because she's graced the hallowed pages of this very publication on numerous occasions, although that is a fantastic feat for the fortunate, but because whenever she pairs up with another lass, her partner is always fucking gorgeous. And here we have a shining example in her kinky clinch with Sabine…

"I must admit I do come up trumps with the girls I get it together with, but then that's probably because I've got extremely high standards. Basically, I won't have sex with another girl unless I consider her as horny as I am. I think you'll agree Sabine passes the test with no difficulty. I'm just worried that there aren't enough beautiful girls out there to have sex with and pretty soon I might have to start lowering my standards."

Don't be silly Eve, you'll never have to worry about that, not when we've got the top secret *Club International* model factory busy churning out absolute stunners by the truck load for our future issues of the mag. And besides, we'll never tire of seeing you at it with Sabine! ♣

civic disobedience

The re-tweaked Type R is the sort of car that makes you want to drive like a twat – like we need an excuse!

Thankfully for all concerned, former Ginger Spice Geri Halliwell has confined her output in the last few years to a couple of awful fitness videos, but she's still got all the trappings, from the stupid rat of a dog to a kid called Goldilocks Jimbob. And of course, the millions in the bank.

Still, credit where it's due; she was always pretty keen to make sure you knew she was British through and through (give or take a few Spanish genes). And about 10 years ago, you would have done. I like to think that quite a few people probably did.

Also British through and through – albeit nothing to be ashamed of – is Honda's new Civic Type R. Apart from the fact that it's Japanese, of course. But at least this stunning new hot hatch has been built at Honda's factory in Swindon, Wiltshire – it's the automotive equivalent of Geri's Union Jack dress and, admit it, you want to make mad, passionate love to it.

Lower than the model it's based on, the newcomer sits on purposeful seven-spoke 18-inch alloy wheels. At the front, there's a huge spoiler incorporating a larger air intake, channelling air to the cooling system, while a honeycomb radiator cover – replacing the standard car's glass panel – provides some real grille power. Also, the triangular foglamps hint at the shape of the wild exhausts at the rear. Yet although the eye is drawn to these chromed tailpipes, what's most striking about the back end is the sleek spoiler.

The Type R only comes in the sportier three-door style, but getting in and out is no chore for rear passengers… especially when they see what's on offer inside. The cabin features racy bucket seats, Alcantara trim, a sporty black leather steering wheel and a raft of gorgeous aluminium detailing. Plus, each car gets a plaque to display its serial number. Add all this to what is already one of the best interiors there is, and all occupants will be grinning. The driving position is superb, with a wide range of adjustment on both seat and steering wheel, while the utterly unique yet wonderfully intuitive instrument display is a joy to behold.

Still, the delightful cockpit is only an aperitif for the beauty that lies under this Civic's skin. Remember that godawful record Geri released, called 'Scream If You Wanna Go Faster'? Yes, it has to be one of the most appalling things ever to have abused your ears, but it's completely appropriate for this car's performance.

The 2.0-litre i-VTEC is the mainstay of Honda's petrol engine range, and the variable valve timing technology it harnesses has pleased the faces of thousands of drivers and bikers over the years. And while engineers have been quite lazy and not done much to update it from the previous hot Civic's powerplant, it's now even more mental. The car's 197bhp power output is the same as before, but it peaks at 8,000rpm; and the variable valve timing kicks in at 5,200rpm, so that's an even bigger sweet spot.

What the hell does all this techno babble actually mean? Put simply, this car is begging to be abused. It performs at its very best when you're ragging the bollocks off it, and has a sound that only encourages you to continue. Use the throttle pedal as hard as you like – it feels great, and the rewards are instant.

The Type R sprints from 0-62mph in 6.6 seconds on its way to a 146mph top speed. OK, so that's exactly the same as before – which is a bit of a disappointment – but what sets this car apart is the nature of that pace; everything feels so frantic. There's none of the distance – or driver isolation – apparent on so many rivals. This is a pure hot hatch, and it's just asking to be treated very, very badly.

So while we should hang our heads in shame for the Spice Girls and everything they stand for, here at least is a British export to be proud of. It doesn't pack the power of the Vauxhall Astra VXR or Mazda 3 MPS, but its balls-out driving experience and edgy design compensate. This is no wannabe. It's a modern-day lairy spice; unlike any of the original girl band line-up, it's gorgeous to look at, goes like the clappers and is incredibly talented. ♣

JULIE

PRAISE IS JU!

Don't fret, men. Julie's just told us something we've wanted to hear for ages!

PHOTOS: STEVE COLBY

Oh dear, it seems Julie might have just struck a blow for independent women all over the world. All we've heard from them for the last few years is how men will soon be made redundant since cloning will take care of reproduction and the vibrator will take care of sexual gratification. But when we asked Julie what self-pleasuring tool she kept at her bedside in case of a sexual drought, her answer was quite reassuring.

"I've never had a sex toy. Call me old-fashioned but I've always found that shoving a bit of plastic with batteries in it up my pussy has never had the desired effect on me. But then again, I'm never short of offers so I've never experienced one of these so-called droughts!" ♣

AGE: 25
VITAL STATISTICS: 34B-28-34
WHAT'S SHE LIKE? Apparently she has done everything!

WHY DID YOU WANT TO BE IN CLUB?
To fulfil my boyfriend's wildest dreams. He always reads your mag and loves the tasty girls in it. I haven't told him about this photo shoot so he'll get a very pleasant surprise when he sees me!

HAVE YOU EVER BEEN WITH ANOTHER GIRL?
Yes, and one time my boyfriend caught me and my friend trying each other's clothes on. We got a bit saucy and got down to some spanking and tongue tickling each other's more sensitive bits while he just watched and wanked himself silly. I don't think he could believe his luck!

WHAT IS YOUR WILDEST FANTASY?
I don't actually have any fantasies as I've done everything already. I have a very open mind.

REALLY? SO WHAT'S THE DIRTIEST THING YOU'VE EVER DONE?
I've had someone else's cock up my pussy while I've been sucking on my fella's tool. All this was happening while I was watching my friend fuck her partner. The room was pretty crowded that night!

HAVE YOU GOT A MESSAGE FOR CLUB READERS?
I hope you all enjoy the pictures. Liberate your mind, bodies and souls and try everything at least once. I have and I've had the time of my life! ♣

Casanova

(Private) ★★★

If the BBC press department is to be believed, David Tennant's pre-*Who Casanova* was a pretty raunchy affair, but it rather pails next to this period romp from Private. OK, so perhaps the wit, acting and direction aren't quite so sparkling, but this flick scores over its mainstream alter-ego where it counts – in the fucking stakes. If you like the idea of masque ball bonings, naughty nun noshings, and periwigged pokings, this film won't have come out a second too soon. And if you just want to see some serious action, you should still find something to entertain and amuse...

(RLD) ★★★★★

A lot of gonzo films talk the talk, with filthy titles and promises of all sorts of depravity, only to fall short on delivery, but this flick is a real scorcher. Of the five scenes on offer, three are absolutely red hot, featuring all sorts of smut you really wouldn't want your gran to see. Cover girl Rebecca Linares takes on two cocks in one of the goodies (along with a cracking tease intro), while the other good scenes are courtesy of Aaliyah Jolie and Angel Long, and then Alicia Angel and Isabel Ice. These girls do just about everything you could ask for - and look great doing it.

The American Ream

(Vivthomas.com) ★★

With a title worthy of a *Club International* coverline, Viv Thomas and co have laid their intentions firmly on the table. Whilst they usually stick to Euro talent, this time they've headed off across the pond to work with some top notch cock-Yankers. The scenes start with interviews, just in case you doubted the girls really are American, and then proceed to the action – and with the likes of Kelly Wells, Tory Lane *(isn't that somewhere in Kensington? – Ed.)* and Sandra Romain, you know it won't go far wrong. Bit formulaic though, really, and the picture quality looked a tad iffy too, at times.

A for Andromeda
BBC
'genuinely eerie' – SFX

Long before she became better known for baking cakes, Jane Asher was an actress who added a touch of class to spooky offerings like *The Stone Tape*. Well, now it looks like she's back in the saddle, and appropriately enough this outing sees her starring in a remake of a classic bit of BBC sci-fi history. Sadly now mostly lost (the Beeb were always keen on wiping tapes), the original starred Julie Christie, and while a modern re-interpretation is never going to have the same feel as its predecessor, it's still going to arouse a lot of interest in certain circles…

BOOK

Pink Box

(Abrams) ★★★

We all like to have a giggle at those crazy Japanese and their attitudes to sex, and – as luck would have it! – here's another chance. The Japanese don't seem to go in for anything quite so boring as brothels, preferring instead all sorts of niche services, from grappling in a vat full of green gel, to groping other 'passengers' on a fake train. It all looks great fun, and certainly a much better way for a harassed businessman to spend his evenings than karaoke.

SERIES THREE

This is shaping up to be a good month for Paul Abbott. As well as *Cracker* getting the full boxset treatment, so is his chav-tastic comedy drama *Shameless*. Also getting a release on its own is series 3 for those impatient fans who've already bagged the first two. Still at the helm of the shiftless Gallagher clan, David Threlfall's Frank continues to stagger from one drink or drug fuelled crisis to the next, while his children do their best to grow up normally in the chaos of the Chatsworth Estate. It's brutally funny, and occasionally worryingly believable…

CSI: MIAMI

Even though there's now a CSI for everywhere except Croydon *[subs, please check]*, the quality is still sky high, whether you're into Gary Sinise patrolling the gritty New York streets or gingernut David Caruso carousing in art deco Miami. Either way, CSI: Miami Season 3 part 2 and CSI: New York Season 2 part 2 are both chock full of painstaking forensic investigation mixed with visceral shots of bullets entering guts. Plus there's a buy one get one free offer on all CSI boxsets until the end of 2006, so you can get £39.99 worth of glossy fodder for free. Even better, we've got two of each to give away. Just tell us where the original CSI is set? Send your answers to Club's CSI Comp, to reach us no later than December 8th.

This Autumn marked the return of Robbie Coltrane's 'Fitz' the criminal psychologist, and to mark the occasion, itvDVD have released a whopping boxset of all the previous episodes. It's a stonking 11 disc set (they're also available separately), and comes in at over a ton. Sadly, this meant the PR folk were too tight to give us the whole set for a competition, but if you want to win one of five copies of the latest episode, just tell us which puppet pigs had a hit with 'I'm a little Christmas cracker'. Peep Show Series 3

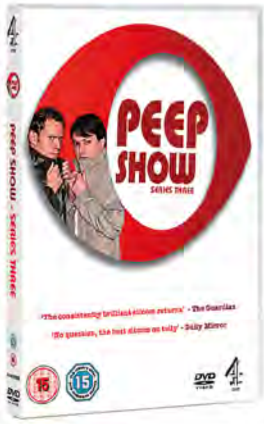
(4DVD) ★★★★★



According to Ricky Gervais (no less), this is the funniest British programme about – although that was before his own *Extras* started its second series. He might have a point, too, because *Peep Show*'s third outing keeps up the top work of the previous two with some style. If you haven't seen it yet, it's about time you cottoned on – the interplay between David Mitchell's tight-arsed Mark and Robert Webb's near sociopathic Jeremy is spot on, and a top class supporting cast and script should make *Peep Show* a must-watch for anyone with half a funnybone in their body.

WARRIOR KING

Having made quite an impression in *Ong-Bak*, young pretender Tony Jaa is back in action in another prime slice of martial arts madness. This time he plays a young chap who has the misfortune to have his two favourite elephants stolen by an international gang of criminals (it could happen to anyone, after all). Luckily enough, he's pretty handy with his fists, so he heads off to Australia to try and get back his thick-skinned chums. Cue the real action, and plenty of baddies getting dispatched in real time – with no wires! A total no-brainer, but still fun to watch.

WHERE DO YOU DRAW THE LINE?

There are two schools of thought on graffiti art. One camp says it's mindless vandalism committed by hoodie-clad ASBO yobs. The other reckons it's an exciting, youthful form of self expression in need of more recognition. Either way, it provides the backdrop for this gripping piece of indie US cinema. When two prolific graffiti artists have their collars felt, their lives take separate paths, mounting pressure on their personal lives and culminating in some pretty unforeseen consequences. So whatever your views on graffiti, this is definitely better than watching paint dry.

GIRLS' NIGHT IN

My name's Sian and I'm a 21-year-old nympho. I simply adore having sex with men and I reckon I'm quite experienced for my age. But one thing I hadn't had until very recently was a lesbian encounter. It's certainly opened up a new world of sexual adventures for me and I owe it all to one girl…

Like I said, I'd never had a lesbian encounter before but the moment I set eyes on Keeley something inside me stirred. She had long black hair, small firm breasts, a sexy tight arse and big blue come to bed eyes that made you melt when you looked in them. Basically she was irresistible.

I met her when we were with a group of friends going on a girlie summer holiday to Gran Canaria. She was the younger sister of one of the other girls. Keeley and I ended up sitting together on the plane and both being a bit nervous had a few drinks to calm our nerves. At the end of our four hour flight and a few vodkas down us we were best buddies, but it was a bit more serious than that as we were also flirting outrageously with each other. I was a bit confused because I'd never really flirted with someone of the same sex before, but deep down I knew it was the right thing to do.

When we arrived at our private villa that one of the girl's parents owned we were all allocated our rooms and I was pleasantly surprised to find I was sharing with Keeley. It made sense really as all the other girls were slightly older than us and fortunately after the plane journey we had now become very good friends.

The other girls had arranged to dump their bags at the villa and then head straight out to the local bars to go on the pull. But Keeley and I had other ideas so we both made excuses about wanting to have a few hours sleep. The rest of the girls wandered off in to the town leaving Keeley and me together alone.

As soon as they had gone we dashed off to the swimming pool and knowing we wouldn't be disturbed, it began! I grabbed Keeley and kissed her soft lips. She didn't object, but responded by grabbing my arse and pulling me close and kissing me back. By now we were both horny as hell and began peeling each other's bikinis off to expose two tanned sexy bodies.

I caressed Keeley's breasts and flicked her nipples with my tongue. She had lovely soft skin and my tongue action had her all wet in seconds. I thought we were going to end up fingering each other right there in the pool but she led me out of the pool to a sunlounger and lay me down. Keeley began kissing my belly and moved down to kiss my freshly shaven fanny. She knew exactly what to do and had me on the verge of coming in minutes. I grabbed her head and pulled her into my fanny before giving her a mouthful of my love juices. She swallowed what I gave her and I kissed her glistening lips so I could taste my own love juice for myself.

> ***"I pulled her head into my fanny before giving her a mouthful of my love juices"***

I couldn't wait to taste her and return the favour so I pushed her onto her back and spread her legs to reveal a closely shaven snatch. I worked my way down to her mound and then slipped a finger inside. She was warm and wet and I got down to gently probe her gash with my inquisitive tongue.

She groaned with pleasure and moved my head about so she could get maximum pleasure from my tongue. I'd never been down on a girl before but was starting to enjoy it. I could sense Keeley was enjoying it and then I realised she was pretty close to orgasm so I kept up the tongue action and pretty soon the sweet taste of her love juices filled my mouth. I savoured the taste then kissed Keeley so she could taste her own juices. Sated by her own flavour she then suggested we go to the bedroom where she had something in her suitcase we might both enjoy.

Sure enough when we got there she produced a double-ended dildo and my eyes lit up. I've got my own vibrator that I regularly pleasure myself with but it was nothing compared to the beast Keeley was wielding.

She told me to lay on the bed and open my legs before sucking one end of the dildo to make it wet and then slowly inserting it into my pussy hole. I shivered as the great plastic phallus buried inch by inch inside me. Keeley had a smile on her face indicating that she was enjoying it too. When she had pushed about a third of the whole dildo inside me she then straddled over me and proceeded to push the other end inside herself.

When both ends were in as far as they would go we started kissing each other, fondling each other's breasts and rocking back and forth so the double-ended dildo would pleasure us both. At one point both ends of the dildo had gone so far into our pussies that our lips were almost touching.

I was the first to climax again and actually had to pull my end of the dildo out as my body writhed with the sensation. When the sensation had passed I continued to push the dildo back and forth inside of Keeley's gorgeous snatch and this caused her to orgasm.

With both of us just having come we took the dildo and sucked on the opposite ends so that we could taste each other's juices again.

Soon after we were both asleep in each other's arms and woke up to the other girls banging on our room door. We didn't share our little secret with any of them and carried on our lesbian sex sessions for the remainder of the trip. – *Sian, Cardiff*

SLY SUBSTITUTE

A group of lads I play football with were on a night out celebrating a win and closing time at the nightclub was rapidly approaching. I was sharing a lift home with Andy and at five to two I found him slumped in a corner. I'd never seen him so drunk; he could barely stand up and was struggling to put a sentence together. With the help of the other lads I got him outside and the two of us then waited for his girlfriend who'd generously agreed to pick us up.

It was a pleasant summer evening and as I propped Andy against the wall there were plenty of attractive women milling around to keep me entertained. Eventually, Andy's girlfriend Jennie pulled up in her new motor. She was none too pleased when she saw the state Andy was in. She stormed out of the car and tried to give him a bollocking but soon gave up when it became clear he was incoherent. I helped Andy to the car

and Jennie pushed him onto the back seat warning him of the consequences if he threw up. I got into the passenger seat and prepared myself for a frosty ride home.

"Where do you live, Tony?" she asked.

"Hassocks," I replied, "Do you know it?"

"Yes, I know it, I have to pass it on my way to work," and off we went.

I'd never met Jennie before and she turned out to be very likeable even though she spent much of the journey slating her piss head boyfriend in the back.

I turned my head to see Andy comatose on the back seat and agreed she had a point. Despite the fact that Jennie was definitely shaggable, I was reluctant to carry out her request. Firstly, Andy was a good mate and secondly I was worried he'd wake up and catch us at it! She could tell I was hesitant but this only succeeded in egging her on.

"Will this convince you?" Jennie said, as she slowly unbuttoned her top to reveal a black, lacy bra that was straining against a delightful pair of juicy tits. "What do you think?"

"She pulled the gusset aside to flash a beautifully shaven pussy"

Eventually we reached the outskirts of Hassocks and without warning she pulled over to the side of the road.

"What's wrong?" I asked.

"I need a shag!" she replied.

I thought she was taking the piss and started laughing.

"I'm serious," she continued, "I'm gagging for a fuck and there's no way that idiot in the back can manage it."

"Very nice," was the best I could reply with.

She eased one of her breasts from the bra and teased the nipple until it was firm and erect.

Despite this extremely horny sight I remained motionless in the passenger seat. Undeterred, Jennie continued her striptease removing her skirt to display a matching black g-string. She stroked herself through the material then pulled the gusset aside to flash a beautifully shaven pussy. The bulge in my trousers was seriously

uncomfortable and I shifted nervously in my seat.

"What does a girl have to do to get fucked round here?" she scolded.

I immediately turned round to see if Andy had heard Jennie's raised voice but he was still spark out. Without another word she leant towards me and started pulling at my trousers. I offered no resistance and excitedly helped her pull my trousers and boxers down to my ankles. Jennie gripped my raging hard-on and rubbed up and down before planting her luscious lips on the end. I let out a moan as loud as I dared as she sank her mouth down to my balls. She was an expert at sucking cock and built up a steady rhythm as her head bobbed up and down in my lap. All too soon I could feel myself cumming and told her so but much to my disappointment she stopped.

"You're not coming yet, you've got to fuck me first!"

Again I turned to Andy who still hadn't budged.

"Okay," I said, "But not in the car."

"Fair enough," she said and was out the door like a shot.

I quickly pulled my shoes off, then my trousers and boxers. All I had on now was a short-sleeved shirt, which I unbuttoned.

I got out of the car to find Jennie sitting against the bonnet. Her bra and top had gone and her tits looked fantastic with the nipples sticking out in the cool summer night. I recognised the road we were on and at that time of night felt certain we would not be disturbed.

"Come here," she said.

I walked to her and we kissed passionately. Jennie was really gagging for it and she pawed roughly at my bare arse.

"Lick my pussy," she whispered.

> ***"She was an expert at sucking cock and built up a steady rhythm"***

I sank to my knees and eased Jennie's panties to the floor. She stepped out of them and parted her legs to reveal a sweet smelling and very moist slit. I gently kissed and teased her pussy lips before probing inside her with my tongue. Her moans of pleasure drifted into the night as I licked up and down her sticky slot. I gently pushed her backwards so that she lay on the bonnet with her parted legs resting on my shoulders. I pushed my tongue deep inside her then licked at her clit getting faster and faster as I felt her orgasm build. Jennie could hold on no more and finally came, letting out screams of pleasure as her body bucked on the bonnet. Finally, with my tongue still inside her, she lay still on the car.

"Now fuck me," she said in a breathless voice.

"Can I fuck you from behind?" I asked.

Jennie slid off the car, kissed me and then turned around to rest her top half on the bonnet. She spread her legs to display an inviting entrance and I ploughed my cock into her. She squealed as I pushed into her as deep as I could, her grunts of pleasure encouraging me to fuck her harder and faster. I grabbed a handful of her long hair and pulled her head back as my thighs slapped noisily against her tight arse cheeks. Her delight at being shagged had my balls aching and for the second time that evening I was ready to come. She realised this and wrapped her ample tits around my cock.

Looking me straight in the eye she demanded, "Fuck my tits and cover me in come!"

I willingly pumped my tool between Jennie's cleavage as she held her tits firm against my shaft. She flashed me one final, filthy look before grabbing my cock and I watch mesmerised as she pulled wads of sticky spunk all over her neck, tits and nipples. She gave my knob a final kiss before saying, "Now how about that lift home?"

As she dropped me off outside my house Andy still hadn't moved. We've got another team night out planned at the end of this month and I'm going to make sure Andy has his fair share of booze! – *Tony, Hassocks* ♣

POLE-TEASE IN MOTION

Me and my boyfriend John have been together for a while now and our sex life is absolutely amazing. We have tried quite a bit in the bedroom and we certainly have our favourite positions. We also go out quite often, and one weekend when we went out to our local club with Simon, a rather fit friend of John's we ended up having quite an interesting evening.

We'd gone to the club and after a few drinks they persuaded me to have a go on the dancing pole that had been erected in one of the rooms upstairs.

We all headed up the stairs to the room where I immediately went towards the pole. Then, as the music started up, so did I.

I felt like the centre of attention, it excited me to know I had two gorgeous guys watching me and getting quite turned on at the same time by the looks of it.

> **"John pushed my thong aside so he could get at my wet snatch"**

I was wearing a rather short skirt and could wrap my legs around the pole easily. I'd been on a hen weekend a few months before where we'd all had pole dancing lessons just for a laugh and although I hadn't practiced since, I still remembered a few of the moves. I gave it everything I could and to tell you the truth it was turning me on. When I had finished and got back to the lads, John had a drink waiting for me. I could tell that he had been really turned on by my dance and when I looked at Simon I noticed he was trying to hide his obvious arousal.

We left the club shortly after that and I was expecting to say goodbye to Simon but he continued walking with us, and when we got back to our place Simon came in too. Slightly confused I just thought that they planned to have some more drinks, but when we got in I found this was not the case. John pulled me into the kitchen and explained that while I had been dancing he had noticed how turned on Simon had been getting and had suggested a threesome. We had talked about trying it before and when the moment came along I was well up for it. The moment was now! So I told John to follow me up to the bedroom in about ten minutes, and to bring Simon.

They both came upstairs to find me stripped down to my underwear, lying on the bed waiting for them. I got up on to my knees and moved to the edge of the bed. I began to kiss Simon, to try to relax him. I loosened his jeans and let them drop to the floor. In the meantime John had stripped and was busy kissing his way down my back, undoing my bra as he went. Simon took off his T-shirt and I

threw my bra off before freeing Simon's cock from its prison. John pushed my thong aside so he could get at my wet snatch.

I let my tongue trail along Simon's considerable length, savouring his little shudders of enjoyment as I began kissing the head before plunging it into my mouth without warning.

John was rubbing my clit with one hand while squeezing one of my breasts with the other. I couldn't believe this was actually happening, it all felt so good. John's rubbing was more frantic and I shifted my position so that he could get his head between my legs while I continued to suck Simon's cock. I began to gently tickle his balls, when I felt John's tongue begin to slip into my pussy, it sent a wave of pleasure through my body.

Simon pulled away from me, before he came too soon. I moved myself away from John's probing tongue, making my way down his body so I was hovering over his hard dick. I bent down and kissed him then lowered myself onto his quivering member, it felt good to finally have my cunt filled, and I let out a small groan to signify my utter delight.

Simon made his way round the bed, finding the tube of lube on the floor, he moved behind me on the bed and began to apply the lube to my puckered arse hole. I raised my behind as John started squeezing my tits. I could feel Simon's cock pressing against my arse and John slowed his thrusting. Simon eased his cock in slowly and with the help of the lube, it was soon buried in all the way.

> ***"Simon eased his cock in slowly and with the help of the lube, it was soon buried in all the way"***

I gasped as I felt him start to move and as they both got a rhythm going I quickly found myself in heaven, to feel them both inside me was so incredible. It must have been pretty intense for the guys too, because soon enough Simon groaned and said he was going to come. Then just seconds later he pulled out and shot his creamy load all over my back and arse.

John's thrusting became more insistent and I was on the verge of my orgasm but I climbed off and began sucking John's cock for all I was worth while frigging myself into ecstasy. John came with a triumphant cry, right into my mouth.

As we lay slumped together on the bed my mind was still racing with what had just happened – but more importantly how my sexy pole dance had started the evening's chain of events. We were definitely going to go to that club again! – *Anna, Kent*

THE LAST RESORT

I recently went away on holiday for a week with my girlfriend and was looking forward to seven seedy days of hardcore sex since we had both been so busy with our careers we hadn't had the time or the energy to spend together horizontally for a while. So you can obviously imagine how I felt when we arrived at our hotel room and I was ready to tear her clothes off and give her a long overdue seeing to only to be told I would have to wait a couple of days as it was, well, you know, that special time for women and she wasn't really in the mood. To say I was gutted was an understatement and I wasn't looking forward to spending the next couple of days concealing a raging hard-on with her in an absolutely foul mood, but as it turned out, I didn't have to…

On our second day there, my girlfriend asked me to go to the local shops to get her some suntan lotion so that she could spend the afternoon by the pool. She was clearly in a bad mood and so I was eager to get out of the hotel room for a while, especially since her pussy was out of bounds and I desperately wanted to fuck it. So I left the hotel room and proceeded down the corridor.

I hadn't even made it to the lifts when one of the hotel maids came out of a room a few doors down from ours. She was absolutely fit as fuck, probably late teens, petite but with cracking tits and an arse you would have loved to have just split apart there and then. I wished her a good morning as I passed her and she returned the greeting in her best English. Then just while I was waiting for the lift, she scurried out of the room she was tidying and said, "Excuse me, sir. Could you help me move something, please?"

"Sure," I replied, following her into the room where a heavy chair had been moved from the room to the balcony. It was clearly too heavy for her to lift and even I struggled to get it through the patio doors but when I had eventually returned it to its correct spot, the maid had closed the hotel room door and was standing there blocking my way out.

"Thanks, but that's not all you can help me with," she whispered as she put her finger over her mouth to stop me from replying. Then she stepped closer and with no apprehension whatsoever she buried her tongue down my throat. Now obviously my girlfriend was only a few rooms down the corridor and I was struck with a pang of guilt. But then I was also struck with a massive hard-on and that let me, or rather the maid, get carried away.

I took her hand and placed it on my hard shaft. With my other hand I made my way up her skirt to rub her snatch. She was very wet down there and this excited me. I could feel her cunt juices dripping through her knickers and down her thighs!

I wasted no time and threw her onto the bed and began to undress her. She pushed my hand hard against her pussy lips as she put her other hand down my shorts and started to milk me. While she was tugging on my length I managed to undress both her and myself. By the time I had got her skimpy knickers off she was more interested in sucking my bell end. As she took it in her mouth she would occasionally give my balls a tender squeeze.

Pretty soon I wanted to put my cock inside her, but feeling so filthy I wasn't going to waste my time with her pussy and I told her that I really wanted to fuck her arsehole. She took her mouth off my dick and smiled at me with great delight, before turning around on the bed and raising her rear up to me. Seeing her delicate brown ring looking so inviting I spat into the palm of my hand and smeared it around her arse hole. Shivers went down her spine as I prodded her ring and then I started to push my bulbous head against it.

I slowly entered my prick into her back passage and at this point she started to speak in her native language. I didn't have a clue what she was actually saying but it didn't sound like she was complaining. It felt so good as I pumped her, inching more of my meat into her arse with each stroke. She continued to babble enthusiastically in her native tongue while she also reached down with her hands to play with her pussy.

With my hard fuck strokes and her constant frigging it wasn't long before this babe came. As she bucked and squirted her juices all over my cock I felt that tingling sensation sweep through me and within a matter of seconds I was unleashing my spunk deep inside her arsehole. As soon as I pulled my spent prick out she wanted to suck it and licked it clean. I gladly let her and could have done so all afternoon had I not had to get back to my girlfriend. I thanked the maid for her hospitality and headed off to the shops as originally intended. When I got back to my hotel room my girlfriend said, "You won't believe it, I could hear a couple in a room down the corridor shagging! I tell you what though, it hasn't half made me horny – so how about getting this holiday off to a good start? But you can only do me up the arse though."

Who would have believed it, eh? – *Adam, Bromsgrove* ♣

Go-the very best of Moby

Moby
Go: The Very Best Of Moby (Mute)
Richard Hall AKA Moby has to be one of the most annoying and pretentious little shits ever – listening to him speak makes you want to kick the fuck out of him. But credit where credit's due – old Dickie knows how to make a few quid and there's no shame in that. This collection contains the Yank's best fifteen songs including Go, Why Does My Heart Feel So Bad, Bodyrock, and James Bond Theme and would make a great Christmas prezzie for all of your bald drug riddled mates *(Surely you've got it already – Ed.)*.

THE DFA REMIXES

The DFA Remixes – Chapter 2
DFA (EMI)
Two trendy cunts take eight trendy cunt songs and extend them on their computers to an average of nine minutes and somehow blag a major label into releasing it. How? Because of other trendy cunts, that's how. For those of you who pay 200 quid for a pair of gay looking "Nikeys," it's all about Tiga, N.E.R.D., Nine Inch Nails, and Chromeo.

Mastodon
Blood Mountain (Reprise)
The Atlanta quartet's third album can only be described as ROCK CHICK BAIT and includes collaborations from members of Queens of the Stone Age and The Mars Volta. Oh yes, if your next intended target wears black PVC thigh boots, loves Slayer, and sports plenty of hair dye in her barnet, then this little bad boy will have her cunt frothing at the brim in no time.

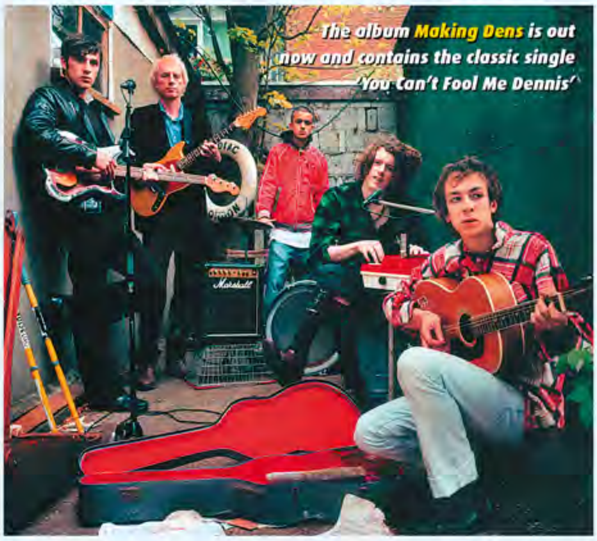
THE CHARLATANS
FOREVER. THE SINGLES

The Charlatans
Forever. The Singles (Island)
It's a shame to see such a quality band taking the piss out of their fans with another compilation. It may be labelled The Singles but this doesn't mean that the bands best 18 singles are here. They have omitted Then, Over Rising, I Never Want An Easy Life If Me And He Were Ever To Get There, Crashin' In, and Just Lookin'. And why? Because they were on the last Charlatans compilation, which is the one that you want.

Darkel
Darkel (Source etc)
A bit of a surprise this one – it's bloody marvellous. Jean-Benoit Dunckel (one half of French pop band Air) has produced an album that sounds like the French Pet Shop Boys wearing bright pink lipstick and fingering every girl in sight. Stand out track TV Destroy is a dance floor filler and the CD is black on both sides so it looks cool as fuck. Perfect for high maintenance girls – they'll think you've spent a fortune.

You can't fuck me, Dennis!

Club chats to Mystery Jets guitarist and vocalist Will Rees...



The album Making Dens is out now and contains the classic single 'You Can't Fool Me Dennis'

Have you ever robbed anyone?
When I was seven, this old man in Hammersmith gave us some lemon sherbets and then went off somewhere. We realised he'd forgotten to lock his car so we opened the car and nicked some more sherbets. That was my first act of theft.

And who was the old chap?
I don't know. He's probably dead now, the poor fella. It was some old dude who just offered us some sweets on the street.

In retrospect, do you not think he might have been a dirty paedophile?
I don't know. I think he was past all that really. I doubt he had the energy for that kind of activity.

You live on Eel Pie Island in the middle of the Thames. Got any funnies about that?
We did a gig in Winchester and this sixteen year old girl sort of like attached herself to the band. We were driving back in the van and were just talking about how strange this girl was and suddenly we looked around and there she was in the fucking van! When we were on the boat going back to Eel Pie Island, we looked outside and she was face down in the river Thames. We were like, "Fucking hell!" So Henry (guitarist) dived in and grabbed the girl and did all that resuscitation stuff and called an ambulance. She was alright eventually, but it was a bit scary seeing a body face down in the water.

Was she fit?
No! She was on drugs. She was young and naïve and just wanted a bit of attention really.

Strange lady. Ever been in a fight?
We ran into trouble with some pikeys on the way back from a gig once. They came up to us and asked us for some money so we told them to fuck off. Then they nicked our beers from our rider and grenaded us with them as we were trying to unload our van. One of them smashed my friend's face so we got the police to chase after them. They caught him and there was a lengthy court case afterwards and he ended up doing about a year and a half in prison.

Result! Has being in the Mystery Jets got you any nice little extras?
Syd Barrett, the founder of Pink Floyd, died recently and we got taken around to his house near Grantchester in Cambridgeshire. Everything was being auctioned off and there had only ever been about fifteen people in the house because he was a kind of recluse, you know, very eccentric. He's a hero of ours too.

Have you ever been caught getting your dick wet?
Yeah, all the time by my parents. They are the bane of my life when it comes to that kind of thing. But I'm sure they were like that when they were our age.

Oh, I'm sure they were. Can you remember how you lost your virginity?
It was to my first girlfriend in our bed when I was seventeen. I was listening to Up the Bracket by The Libertines.

Good work Will. Keep on bangin' your girlfriend and knocking those tunes out. ♣

THAT'S YA LOTTE!

When we said a woman's place is in the kitchen, we didn't mean on the kitchen floor!

PHOTOS: GEORGE WHITE

What Charlotte is doing sitting in the dark on her kitchen floor half nude isn't really our business but since we've got a photo shoot to complete we thought we would ask…

"I'm actually hiding from the bloke across the road," she whispered, "just in case he's staring into my window again."

Don't worry, Charlotte, we can send one of the *Club* editorial team over to have a quiet word in his shell-like if you want.

"Oh no, that won't be at all necessary. You see, I don't normally mind him watching me because he's quite dishy and to be honest I usually put on a 'special' show for him. I just don't want him to see you guys taking photographs of me as I've told him I work as a lawyer, and I wouldn't want him to find out I'm really a porn star. It might put him off me."

In our experience, love, men tend to be fairly forgiving with birds when they're sprawled naked on the floor! ♣

NICKY

LUSTY LAST ORDERS

As far as Nicky's concerned, last is certainly not least!

PHOTOS: MB EUROMEDIA/MARCO MARI

Normally when we ask a model where abouts they'd like to appear in our magazine they 99 times of 100 say the front cover, the opening set or the centrespread. Or all three. Now obviously we have to be as diplomatic as possible and spend a good few afternoons in the pub debating the running order. Fortunately Nicky saved us getting another round in when she demanded to be placed right here – at the back of the mag.

"Make sure you put me at the back, I want the best to be saved for last. I've tried to put myself in the mind of one of your horny readers and I've decided that they arouse themselves as they flick through the mag, and then when they reach the girl at the end, that's the girl they finish over. The thought of all your readers coming over my pictures really turns me on, so make sure I'm at the back. But if you also want to put me on the cover, the first set and the centrespread I won't mind!" ♣
